Silent Auction Donation Request

Penn-Del AER Conference
Our Professional Landscape:
Cultivating Our Vision for the Future
April 19 – 21, 2023
Best Western Premier Central Hotel
Harrisburg, PA

January 13, 2023

The Pennsylvania-Delaware Chapter of the Association for Education and Rehabilitation of the Blind and Visually Impaired (Penn-Del AER) is dedicated to providing support and assistance to professionals in the field of visual impairment. We are writing to you today because we know that the community of persons who are blind and visually impaired is important to you. As such we are requesting a donation to meet the needs of this community and the professionals who serve them.

Our field is in great demand for professionals to serve students, children, and adults who are visually impaired, as well as their families. Your support through a donation will help raise funds to support new professionals entering the field of visual impairment education and rehabilitation.

Who We Are

The Association for Education and Rehabilitation of the Blind and Visually Impaired (AER) is the only international membership organization dedicated to rendering all possible support and assistance to the professionals who work in all phases of education and rehabilitation of children and adults who are blind and visually impaired. AER members make a difference in the vision community. Penn-Del AER develops and promotes professional excellence through support of those who provide services to people with visual impairments throughout Pennsylvania and Delaware.

Conference Details

The Chapter conference will be held from April 19-21, 2023, at the Best Western Premier and Conference Center in Harrisburg, PA. This year's conference theme is: "Our Professional Landscape: Cultivating Our Vision for the Future." This nationally respected conference offers a wide range of networking and learning opportunities for professionals in this field.

During the Awards Ceremony, our Chapter presents the Penn-Del AER Student Scholarship which was designed to reward one outstanding student in our field. It is a competitive merit award available to a Penn-Del AER member applicant who is enrolled in a university personnel preparation program and is pursuing certification in the field of blindness and visual impairment. The Silent Auction raises the funds that make it possible to provide the Penn-Del AER Student Scholarship.
