2024 Penn-Del AER Student Scholarship Invitation

The Penn-Del Chapter of AER is pleased to announce the **2024 Student Scholarship Award** for a student member of the Penn-Del AER Chapter. A worthy student recipient will be awarded \$1000 and a voucher to cover the transitional year for AER membership. This is an amazing opportunity, why not consider applying ...

The Student Scholarship Award will be presented during the annual Penn-Del AER Conference. Recipients will be recognized at the Awards Banquet on Thursday evening, April 25, 2024.

**Picture yourself being the next recipient of a \$1000 scholarship award
to use toward your educational expenses!**

... because it could be YOU!

This opportunity is available to current student members of Penn-Del AER. If you are not a member, becoming one is an easy process that starts your connection and involvement in our professional organization. A small fee that is well-worth the chance of being awarded a student scholarship! Here is the link to [AER Membership](#).

You ask, "What is AER?"

AER stands for the Association for Education and Rehabilitation of the Blind and Visually Impaired. **AER is a not-for-profit membership organization dedicated exclusively to professionals who provide services to persons with vision loss.**

The mission of AER is to serve and empower professionals to deliver standards-based practices that lead to improved educational and rehabilitative outcomes for individuals with visual impairment and blindness. AER promotes and supports professionals by advocating for evidence-based practices, high quality standards, value-added resources and gives voice to issues of critical importance. AER provides professional development via face-to-face conferences, virtual offerings and publications to strengthen the knowledge, skills and abilities of professionals within the field. AER provides networking, mentoring, connectivity, awards and scholarships for professionals to advance excellence within the field. Our aim is to ensure that persons with vision loss will have optimal gains and greater independence by giving timely, intentional, and value-added support to professionals in the field.

Membership Fee Structure:

- Student Membership is \$98 per year (undergraduate or graduate).
- Transition Membership is \$144 per year to support your continued membership through your first year as a professional.
- Regular Membership begins during your second year of teaching and is currently \$175 per year.
