2023 Penn-Del AER Conference

Our Professional Landscape: Cultivating Our Vision for the Future
April 19 – 21, 2023

Best Western Premier Central Hotel, Harrisburg, PA

If you are a supervisor or administrator of a program serving children or adults who are visually impaired and would like to learn more about the field of blindness and visual impairment, our nationally recognized Penn-Del AER Conference is for you. This conference is a valuable opportunity to cultivate both your skills and the skills of your staff. We hope you can join us.

- **Professionals:** AER is the only membership organization specifically for professionals who provide services to people with visual impairments. Our conference is dedicated solely to our professionals. In addition, AER members have access to focused divisions available for your areas of interest.
- **Research:** Sessions provide information about evidence-based programs, products, research, methods, and other relevant topics.
- **Topic Variety:** Sessions focus on education and rehabilitation, including Vision Rehabilitation Therapy (VRT), Orientation and Mobility (O&M), technology, early intervention, transition, the Expanded Core Curriculum (ECC), and other areas of interest.
- **Networking Opportunities:** Interact and build relationships with service providers and supervisors of programs serving students and clients with blindness and visual impairments in a collaborative environment.
- **Recruitment:** Address a staffing need in your program by engaging with university students and other service providers for recruitment purposes.
- **Technology:** Explore available and new technologies.
- **CEUs:** Certificates of attendance are given that can be used to apply for continuing education units.

We hope to see you and your staff at our conference to cultivate skills in our professional landscape for now and the future. Watch for conference registration materials to be available soon.

The Pennsylvania-Delaware Chapter of the Association for Education and Rehabilitation of the Blind and Visually Impaired (AER) supports professionals who provide education & rehabilitation services to people with visual impairments.
